

## Sixth Grade Student Supply List 2024-2025

The sixth grade teachers are looking forward to a successful year with our students. We are aware of the cost of purchasing items for school. Your child will need the following school supplies for the 6th grade school year. It is helpful if you check-in with your child throughout the school year to restock supplies, and we encourage them to communicate with you when they need more supplies. The only supplies we request to be donated to the classroom are tissues, paper towels, ziplock bags, sanitary wipes and candy. Thank you in advance for providing all the necessary supplies. If you have any questions about the list below please email [christine.sawyer@madisonmohawks.org](mailto:christine.sawyer@madisonmohawks.org).

The Sixth Grade Team

1 bag of individually wrapped candy for rewards.

# 7th Grade School Supply List

Hi, we are aware of the costs of many school supplies. We do not intend to have you buy supplies that are not used and/or used in a "center" where everyone uses them. Your student will need the \* school supplies multiple times throughout a day and throughout the year.

Therefore, it is helpful if you check-in and we encourage them to communicate when they have used all their supplies and need to be restocked.

We also witness students throw pencils down, break them and leave them and they expect a pencil to be provided. These are on the supply list. Each teacher starts the year with 144+ pencils and we have given out all those pencils by Christmas time because of the lack of responsibility with the pencil(s) by the students.

The only supplies we use as a whole class are tissues, paper towels (spills, desks, etc.) and Clorox Wipes. Thank you in advance for providing. The Seventh Grade Team

If you have any questions about the list below please email [mindy.whisman@madisonmohawks.org](mailto:mindy.whisman@madisonmohawks.org).

- \*Single Subject 100 Count Notebook - Math
